Best in Class Service

OUR VISION:
To be the best turf care provider with the best team of people and the most loyal customers.

Introduction to Our Companies

Turf Equipment and Supply Company and Storr Tractor Company provide products and services to several segments of the green industry. We are two independent distributors for The Toro Company under one ownership. We sell and service Toro commercial equipment and several allied lines to golf courses and other institutional customers in Maryland, northern Virginia, Washington, DC, Pennsylvania, New Jersey, New York City and Delaware.

Turf Equipment and Supply Company and Storr Tractor have been recognized as the leading and very best industry distributors in the country. This high level of performance has been recognized by not only our customers, but also by The Toro Company which has awarded Turf Equipment "The Distributor of Excellence for North America" in 2010, 2016 and again in 2017. Storr Tractor has also be recognized by The Toro Company as "The Best in Commercial Equipment" in 2018. There are commercial service locations in Jessup, Maryland; West Chester, Pennsylvania; Branchburg, New Jersey; and Ronkonkoma, New York.

One Team, Many Solutions.

WE EXCEED CUSTOMERS' EXPECTATIONS BY PROVIDING RELEVANT SOLUTIONS AND SUPERIOR SERVICE

Our Culture Leads Us

Turf Equipment and Storr Tractor are leaders in distribution of the highest quality turf equipment and landscape products. We are always looking for energetic, conscientious and detail-oriented individuals who enjoy making a difference, being part of a team and take pride in their career to fill many different roles that we have in our service departments.

Service Manager

Service Managers manage the entire business side of the operation including interfacing with the customers' needs.

Shop Foremen

Shop Foremen manage the day to day operations of the service location by directing the techs and prioritizing the service work.

Shop Techs

Shop Techs perform all service work necessary from set-ups, repairs, grinding services, and diagnostics.

SERVICE SOLUTIONS

Our commercial service technicians are much more than 'mower mechanics'. They are part of a highly trained team of experienced technicians performing diagnostic work and assembly of innovation products and solutions for the turf and landscape community.

Cutting Unit Technology

Quality of cut is critical to our customers and the height of cut of the turf can be as low as 0.09". Our goal is to maintain cutting reels to optimize cutting performance and promote the growth of healthy turf.

Electric/Hydraulic Systems

Basic electrical/hydraulic knowledge is not enough in this industry. The latest troubleshooting tools and techniques are utilized to keep high innovative equipment running at peak performance.

Sprayer Technology

Innovations like Toro's GeoLink™ sprayers have changed the face of the industry. Our technicians continue to expand their knowledge base with GPS technology.

Hybrids/Diesel

Whether it is highly refined Tier IV engines or hybrid technology power equipment, we continue to train our technicians on operating and troubleshooting for brands such as Yanmar, Cummings, Kubota, and Kohler.

What Makes Us Different?

Turf Equipment and Storr Tractor are award winning distributors providing exceptional solutions for golf, sports field, landscaper, and municipal customers.

Highly Trained

All of our commercial service technicians are factory trained and have several industry certifications.

Focus on Quality

Quality service and 'fixed right the first time' are the cornerstones of our commercial service departments.

Mobile Team

Our mobile service technicians provide on-site service and solutions for all our brands making it simple and efficient for our customers.

Customer Centric

Our customers are our partners and we foster deep relationships with each person so that they can succeed in their own positions.

Continual Growth

We challenge all our employees to continue to grow in their careers through training and educational opportunities.

Make a Difference

We are always looking for energetic, conscientious and detail-oriented individuals who enjoy making a difference, being part of a team and take pride in their career.

> Strong relationships, built on trust and integrity, are the foundation of our business.
