

Are you thinking about a career in **IT** or **Cybersecurity**?

Look no further we have the perfect program made just for you.

This fall MysecureKid will be launching a Youth Cybersecurity and IT Apprenticeship Program for junior and seniors in high school ages **16-17 years old**.

This program includes over 100 hours of asynchronous instruction and hundreds of practice-based assessments, which will help you simulate real-world IT and cyber related support scenarios that are critical for success in the workplace. The content is highly interactive and exclusively developed by industry professionals with decades of experience in IT and Cybersecurity

NO IT EXPERIENCE NEEDED

- Fast track into an in-demand career
- Hands-on skills training
- Mentors help you identify jobs that fit your skills and goals and coach you on connecting with employers and MysecureKid partners

Industry recognized, world-class instruction

Through a mix of videos, assessments, and hands-on labs, you'll be introduced to troubleshooting, customer service, networking, operating systems, and security — foundational IT skills required for an entry-level job.

Learn concrete skills that top employers are hiring for right now.

Hybrid courses available online or in-person
Start instantly and learn at your own schedule.

Flexible Schedule
Set and maintain flexible deadlines.

Beginner Level
No degree or prior experience required

Approximately 6-12 months to complete course work

Suggested pace of 10 hours/week

The first cohort will start on Sept 20th. We will host an online orientation on Sept 13th.

Students will have to complete an online application, submit a resume with a cover letter, two references and take a skills assessment test by August 30th.

STEP 1

To start, fill out the application above. After submitting the application, we will send you a Skills Assessment to be completed within 3 days.

STEP 2

Selected candidates will be asked to submit additional documentation and be invited to a one-on-one virtual interview.

STEP 3

An Advisory Board will review the candidate's application and all submitted information. Selected candidates will be notified
